

CR800ENT SEMI-RECUMBENT BIKE

The **CR800ENT** Semi-Recumbent Bike is the perfect bike for the commercial environment. Designed on the solid CR800 platform, the CR800ENT incorporates touchscreen technology on a large 10.1" entertainment display. TV, web browsing, and music streaming are all made possible within a user interface that is easy to use and adaptable to nearly any facility. The step-through design makes it easy for your clients to get on the bike, and the easy adjust seat allows them to find the most comfortable position.

CR800ENT SEMI-RECUMBENT BIKE

- Large 10.1" touchscreen with TV, web browsing, and music streaming
- 3 different workout display modes give users a variety of workout feedback
- Contact and telemetric heart rate capabilities to make the workout more effective
- Oversized foot pedals with fast latching system
- High density foam seat for extra comfort during a long ride
- 40 levels of resistance to satisfy the needs of beginners or advanced exercisers

Fan to keep you cool

Large 10.1" touchscreen display with TV, web browsing, and audio streaming

Tablet friendly reading rack holder

Convenient cargo compartment for keys, phone, or MP3 player

TV Watch your favorite TV shows right on the console, control the volume, and switch channels by tapping the virtual buttons on the screen.

DISPLAY The system provides 3 different viewing modes (Simple, Track, Dashboard) to fine tune your workout experience.

INTERNET Easily access preselected websites and online apps such as YouTube, Facebook, and Twitter through the internet on the touchscreen.

SETTINGS The console is fully configurable with in-depth console settings. Easily set up the internet connections and modify what websites are available for the user. Also, customize the TV settings, perform diagnostics and maintenance, change default language, update software version, and more.

CR800ENT CONSOLE FEATURES

The CR800ENT features a modern 10.1" touchscreen display and electronics package that allows your clients to watch TV, browse the web, and stream their favorite music. Preset programs include a wide variety of popular workouts for the average user while heart rate programs and a custom program are available for more serious users. Ergonomically friendly pulse grip handles are mounted comfortably on each side of the seat for a more natural hand position while a turbo cooling fan keeps your clients cool to encourage them to work out longer.
